

# C.J. Hooker Middle School

## CANCELLATION INSURANCE – 7<sup>th</sup> & 8<sup>th</sup> Grade French Trip to Montréal

**Emergencies happen. Plans change.** To protect yourself against cancellation charges, we strongly recommend travel cancellation insurance.

Please note that once initial deposits and payments are made, we will be unable to refund monies to you. The Goshen Central School District cannot assume responsibility for cancellation charges you incur. With this in mind, we strongly recommend cancellation insurance. Please check the appropriate box below regarding cancellation/medical insurance.

Jumpstreet Educational Tours, of Montréal, Quebec, is offering cancellation insurance at **\$40.00 per person**. With this insurance, you may cancel at any time up until the date of departure and receive a full refund. This includes \$50,000 medical insurance coverage.

If you decline the cancellation insurance, but would still like to purchase medical insurance, the cost is **\$12.00 per person**. The medical insurance covers up to \$50,000 per person.

If you opt to purchase cancellation and/or medical insurance, please add the amount to your check and submit with the second payment due **Wednesday, February 27**.

If you have any questions or concerns regarding cancellation insurance, please send me an e-mail at [kLewis@gcsny.org](mailto:kLewis@gcsny.org).

**Please complete the form, check the appropriate box, and sign below:**
