

DID YOU COMPLETE YOUR CHILD'S MANDATORY COVID SCREENING?

Parents/guardians are required to complete the district's COVID-19 Screening Attestation **EACH DAY** for their child(ren) **BEFORE** they board the school bus or arrive to school campus for in-person learning.

ALL students, employees and guests will have their temperature taken upon arrival to school campus; however, this mandatory screening helps further reduce the risk of exposure to the school community.

Scan the QR Code to access the COVID Screening or visit www.gcsny.org.
