

GOSHEN

CENTRAL SCHOOL DISTRICT

May 2026

Dear Parents/Guardians:

The administration of the June Regents Exams will take place on Tuesday, June 9, Wednesday, June 10, and Wednesday, June 17 through Thursday, June 25. *Please note that on June 9 & 10 there will be no classes due to the administration of the ELA Regents, Physical Science: Chemistry Regents, Algebra II Regents, and Physical Science: Physics Exams. Students only report to school who are taking the exam or for pre-scheduled review sessions with an approved teacher.* It is very important for students to remain focused on academics through the remainder of the school year. Please encourage your child to take advantage of the following opportunities for additional academic support:

- Daily after-school homework assistance during 10th period
- After-school review sessions, scheduled by individual teachers
- Academic Intervention Service (AIS) and study halls, scheduled into many students' schedules

The schedule for review sessions during Evening High School is below. Please contact your child's guidance counselor at **(845) 615-6120** for additional information.

Also, a reminder that the last day to turn in State mandated labs to be eligible for Science Regents is May 20, 2026. Another reminder, any student taking an afternoon Regents who needs transportation will need to take the morning bus to school. No other transportation will be available for arrival to school.

There will be grab and go foods available for students from 7:00am-7:15am, and again at 10:45am-11:00am.

Sincerely,

Nick Pantaleone, Principal
